Attendance Rewards

Thank you to the parents / Guardians who have responded to our first 100% day, and have shown an active interest. We are delighted how much you value attendance as do we, our school aim is to enable all our students to reach, surpass and maintain at least 96% attendance each term and year.

Independent research suggests that students are 3 times more likely to achieve grade 5 or better in at least 5 GCSE's, with Maths and English if they attain at least 96% attendance.

As an inclusive school it is essential that we offer incentives to reward all our students who achieve excellent attendance and those in fact who need to improve.

As well as rewarding students who improve their attendance each term, we have a vast array of rewards for students with excellent attendance (96%+).

These include:

100% Attendance

- Blackpool Pleasure Beach Trip (Spring term)
- Priority for school trips and events (along with excellent conduct)
- Termly Letters / texts of congratulations sent home.
- Termly Certificates of congratulations.
- Prize draws at the end of term for cinema tickets, MUFC tickets, big breakfast and on occasions electronic gadgets.
- DREAM Points (30) each half term to aim towards further rewards such as our "Inflatable Day" in the summer term.

96% or better Attendance

- Priority for school trips and events (along with excellent conduct)
- Termly Letters / texts of congratulations sent home.
- Termly Certificates of congratulations.
- Prize draws at the end of term for cinema tickets, MUFC tickets, big breakfast and on occasions electronic gadgets.
- DREAM Points (20) each half term to aim towards further rewards such as our "Inflatable Day" in the summer term.

I hope you will recognise that all our students are rewarded for excellent attendance, as well as, ensuring those who do improve receive some rewards too.

Thank you Mr Smith/ Inclusion Team

Yours sincerely

Mr A Smith
Assistant Headteacher Attendance and Punctuality
