Great Academy Ashton – In line with the school admission code admission authorities **must** consult on their admission arrangements at least once every 7 years, even if there have been no changes during that period.

Copley Academy – Consulting to align the 7-year consultation cycle with our other academies.

Silver Springs Primary Academy – Consulting to align the 7-year consultation cycle with our other academies.

Middleton Technology School – Consulting due to over-subscription criteria changes, specifically the distance criterion.

Our current Admission Policy can be found <http://www.middtech.com/admissions-policy.html>

Following the consultation the Trust will take into account any responses received before determining final admission arrangements. We will publish the final policy on this website within the prescribed timeframes contained in the School Admissions Code.
